**FROM THE DESK OF FR. LUDVIK**

**Welcome to Saint Aloysius and Our Lady of Lourdes**

If you are new to our church or just visiting, please stop and introduce yourself. We are pleased to have you share in this celebration of the Eucharist. If you do not have a church home, or your church is not home to you, we invite you to become a part of our parish family. Our church is open to anyone looking for a spiritual home. —Fr. John Ludvik

**GET A BIGGER FRYING PAN**

Two men went fishing. One man was an experienced fisherman, the other wasn't. Every time the experienced fisherman caught a big fish, he put it in his ice chest to keep it fresh. Whenever the inexperienced fisherman caught a big fish, he threw it back. The experienced fisherman watched this go on all day and finally got tired of seeing this man waste good fish. "Why do you keep throwing back all the big fish you catch?" he asked. The inexperienced fisherman replied, "I only have a small frying pan."

Sometimes, like that fisherman, we throw back the big plans, big dreams, big jobs, big opportunities that God gives us. We laugh at that fisherman who didn't figure out that all he needed was a bigger frying pan; yet how often do we not exercise our faith to do big things with God? Whether it's a problem or a possibility, God will never allow anything bigger than you can handle with Him. That means we can confidently walk into anything God brings our way. You can do all things through Christ (Philippians 4:13). Nothing is too big for God. Stop telling God you've got big problems. Tell your problems you've got a big God!

## KNOW YOUR FAITH ANSWER

### ~ Limbo ~

Limbo is not a doctrine of the Church - it is a theological construct that the Church allows its members to believe if they wish. The Catholic Church teaches that it simply does not know where these souls go. The Church is sure, however, that they do not go to Hell, because deliberate, mortal sin is required for eternal damnation.
